**BASE BID DESCRIPTION:**

Re-Bidding of the Courthouse - Light Court #3 project encompasses base-bid work only. This entails removal of existing window systems, alteration to and structural support of existing exterior ductwork directly penetrating existing window openings. At existing openings a new window replacement will be installed, with new insulated transom panels where existing exterior ductwork enters the new window frame openings.

CBDP concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
